We are pleased to announce the opportunity to deliver an oral presentation or poster in a number of sessions at the UK Space Conference 2017. Abstracts must be relevant to at least two of the three conference interest groups of academia, industry and government.

Please submit your abstracts (no more than 300 words) to speakers@ukspace2017.co.uk by Tuesday 28 February.

- When submitting an abstract, please specify whether you are applying to for an oral presentation in a session or a poster display.
- Successful authors will be notified whether they have been given an oral presentation or a poster slot at the conference by the end of March.
- There are a limited number of presentation slots available and some authors may be offered the chance to present a poster instead.
- During the conference there will be a dedicated poster session where authors can discuss their work with the conference delegates.

Authors must have registered and paid in full before the start of the UK Space Conference 2017.

For further information, please contact the event team:
