

DISCOVER SPACE IN MANCHESTER

31 MAY 2017 - 1 JUNE 2017

MANCHESTER CENTRAL CONVENTION COMPLEX

DISCOVER SPACE is the unmissable, free-to-attend, day out this half term. Held alongside the UK Space Conference 2017, **DISCOVER SPACE** will host a series of fun and educational activities, hands-on interactive exhibits, talks and shows to capture the imagination and inspire young people to pursue careers in science, engineering and technology.

Recommended for families with children aged 4 to 16 – uniformed / school groups welcome.

REGISTER HERE

We expect there to be high demand for the **DISCOVER SPACE** days and recommend families register ASAP to avoid disappointment.
